## Why do we not show ounces on the Pouch?

In response to the question concerning net quantity stated on our pouch, please refer to the following information from Title 21 of the Code of Federal Regulations, revised as of April 1, 2003 in part 101.105 section ( r ) which states:

*The declaration of net quantity of contents on pickles and pickle products, including relishes but excluding one or two whole pickles in clear plastic bags which may be declared by count, shall be expressed in terms of the U.S. gallon of 231 cubic inches an quart, pint, and fluid ounce subdivisions thereof.*
