## **Pickle-In-A-Pouch Brings Pickle Rick to Life! FYE Stores Will Carry Pickle From Adult Swim's *Rick & Morty***

**Waterloo, WI – May 17, 2018** – The makers of Pickle-In-A-Pouch are at it again, this time with a pop-culture twist! Teaming up with specialty retailer FYE (For Your Entertainment) and Adult Swim, Van Holten's is helping bring Pickle Rick to the store shelf.

“We’ve had multiple, totally out of the blue, comments on our Instagram and Facebook feeds from fans wanting us to make a Pickle Rick”, said Eric Girard, VP of Sales and Marketing, “so we jumped on the opportunity as soon as we talked to [FYE Stores](#) and [Adult Swim](#).” The product is a Pickle-In-A-Pouch with the popular character from Adult Swim's *Rick and Morty* on the front of the package. The product will be sold exclusively at FYE stores and [fye.com](http://fye.com) and will be available on June 15<sup>th</sup>. The product will first be revealed at the [Sweets & Snacks Expo](#) in Chicago from May 21<sup>st</sup> – 23<sup>rd</sup>.

This isn't the first time FYE and Adult Swim have collaborated, having previously created a line of confectionary experiences ranging from custom chocolate bars to inter-dimensional cereal. These items sit along-side an assortment of cross-category licensed *Rick & Morty* products.

Pickle Rick appeared on Adult Swim's *Rick and Morty* during Season 3 in August 2017; and instantly became a fan-favorite episode and *Rick* persona. *Rick and Morty* is the critically-acclaimed, half-hour animated hit comedy series on Adult Swim that follows a sociopathic genius scientist who drags his inherently timid grandson on insanely dangerous adventures across the universe. Rick Sanchez is living with his daughter Beth's family and constantly bringing her, his son-in-law Jerry, grand-daughter Summer, and grand-son Morty into intergalactic escapades. Can the family survive Rick's insanity and all the chaos the universe throws at them? *Rick and Morty* stars Justin Roiland (*Adventure Time*), Sarah Chalke (*Scrubs*), Chris Parnell (*Saturday Night Live*) and Spencer Grammer (*Greek*). The series is created by Dan Harmon (*Community*) and Roiland who also serve as executive producers.

“Anything Pickle is on-trend right now,” Girard followed up with. “Everything from Pickle Juice slushees to Picklebacks are booming. Combine that with the strong fan base of *Rick and Morty*, and I believe this product will fly off the shelf.”
